

Did you know...

You can now see your GP at a time to suit you

There are more ways than ever to access health advice...

Evening and weekend appointments are available with a GP, Nurse or Physiotherapist

You can even see a GP from your desk or from the comfort of your own home.

Online consultations and video consultations are now available at many local practices.

Book an evening appointment between 6.30 & 8pm to see a GP, Nurse or Physiotherapist at one of our local Hubs—Ilkley Moor Medical Practice, Ling House Medical Centre, Dyneley House Surgery & Townhead Surgery.

Weekend GP appointments available 8.30-11.30am at Silsden Health Centre.

Ask your receptionist for more information on how to access the correct healthcare professional for your needs.
