

WELCOME TO OUR

Autumn Newsletter

Staff update

We're pleased to welcome new team members to IG Medical.

Nagina has joined the Healthcare Assistant Team, and we also welcome a new Receptionist to our Ilkley site.

We're delighted to introduce and congratulate Carla Holmes and Laura Meehan on their new roles as Assistant Practice Managers at IG Medical.

Both have been valued members of the IG Medical team for sometime.

We look forward to welcoming all in their new positions and the valuable support they will bring to the team and patients.

Vaccination programme

As we head into the autumn and winter period, IG Medical has now commenced the annual Flu and COVID-19 vaccination programme.

Clinics are being held across both sites, including weekend sessions and appointments during our regular midweek nursing clinics.

Eligible patients have been contacted to book their vaccinations to help protect themselves this winter, and home visits are being arranged via Grassington Pharmacy on our behalf.

We would like to extend our thanks to all team members and WACA colleagues who have supported the running of our vaccination clinics. We truly appreciate those who have given their time - including weekends - to help deliver these important services and support our communities.

AccuRx opening times

From 1st October 2025, AccuRx opening times have changed.

Administrative queries can be submitted daily.

Medical queries can be submitted Monday to Friday, between 08:00 and 18:30.

If your medical query is urgent after 16:00, please call the surgery to speak directly to a receptionist. Please be aware that non-urgent queries received after 16:00 may not be responded to until the next following working day.

Need help using AccuRx?

Visit reception with your smartphone or tablet for a demonstration, or call us and one of our receptionists will guide you through the process over the phone.

There's no need for a username or password to use the service.

Health awareness dates

Stoptober - October

Thinking of quitting smoking? This national campaign supports people in stopping smoking.

For further information visit the NHS website or click [here](#).

IG Medical holds smoking cessation clinics, contact us for further information.

Breast Cancer awareness month - October

October is also Breast Cancer Awareness Month, raising awareness of the importance of early detection.

Don't forget to check yourself regularly. If you're eligible, make sure to attend your NHS breast screening.

Contact IG Medical if you notice any changes.

Diabetes awareness month - November

Did you know over 4 million people in UK are living with diabetes?

If you're at risk, ask about the Diabetes Prevention Programme.

FACE

Has their face fallen on one side?
Can they smile?

NHS

ARMS

Can they raise both arms and keep them there?

SPEECH

Is their speech slurred?

TIME

To call 999 if you see any single one of these signs

WHEN STROKE STRIKES, ACT F.A.S.T.

ACT
